If your friends are there than everything's alright.*

*It seems to me a crime that we should age —  
These fragile times should never slip us by —  
A time you never can or will erase  
As friends together watch their childhood fly.*

ORANGE AND BLUE

Before we begin that long journey back through the sedimented layers of time and memories there should be one special thought rising thru the clouds of remembrance. Something that made it all possible.

Friends.

Friends who shared ideas, good times, and each others lives.

So come with me . . . back.

Back thru the pages of time.

Back thru the memories interlocked in our minds.

Back to "the Hill" and the friends found inside.

# DEDICATION

We wish, after much thought and discussion, to dedicate this our 1975 Orange and Blue Yearbook and our ourselves to the living of life, to the discovery that being alive is not just merely existing but that it is realizing the significance of each moment in the vast dimension we call time. Our appreciation can best be expressed by our seeking fulfillment in the wise use of our time. The choice is our own, whether to die with memories of faded dreams and lost years, or live forever with impressions of love and laughter.

#### TO THE CLASS OF "75"

Dear Graduates,

The time for parting is at hand. With each graduation a part of Union Hill ceases to exist, only to be reborn with future graduates.

You are entering a new world where, on the surface, life appears to be getting easier and easier. For many however, it is just emptier and without firm values.

It is my wish that your lives become filled with the things that are truly important — friendship, happiness, loyalty to the things you truly believe in, peace, and kindness to others. These are some of the ingredients of a "full" life.

You are mature enough to know that life at its very best is an uncertain journey. While I wish you eminent success in every endeavor, there would be equal happiness if your lives were long, and filled with a series of small, gentle victories.

I shall miss you.

Joseph M. Calabria  
Principal

ANTHONY MUSSARA

JOHN J. MIELO

To our 1975 graduates:

Dedication and effort will overcome hardships and obstacles.

This statement best represents my message to our graduating class.

For the past four years it has been our purpose to prepare you for the challenges that lie ahead. We feel we have prepared you well and now transfer the responsibility to you. We are now asking you to face a society burdened with both internal and external problems and we are looking to you for solutions to these problems. We ask only that in whatever path of life you select you will meet all challenges with complete dedication and sincere effort.

My very best wishes for happiness go with you.

Anthony Mussara  
Assistant Principal

To the graduating class:

Another chapter in the Union Hill history book has been completed with your graduation.

Let me congratulate you for all you have contributed in making this chapter so successful.

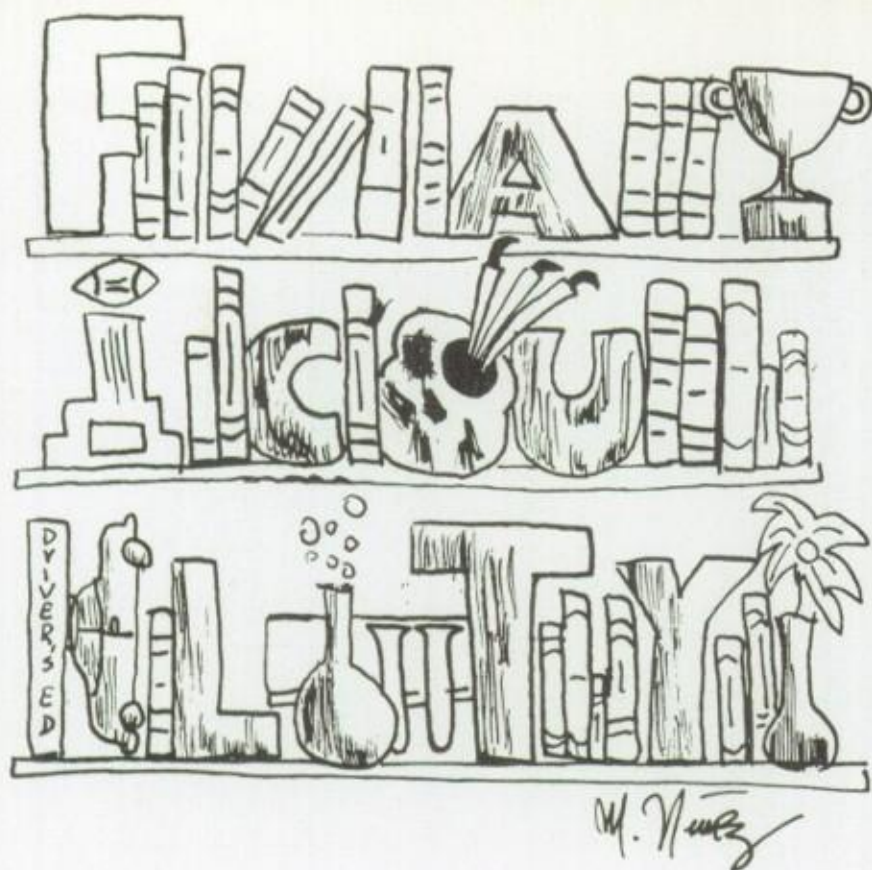

Graduation marks the beginning of a new and exciting phase of your life which you have long sought and rightfully deserve.

Remember, as you gain responsibilities and begin to participate fully in society that your judgements will not only affect you but those who may in the future depend on you.

Hopefully, the lessons learned at Union Hill will guide and serve you well.

# SENIORS

# I AM THE SUM OF ALL I HAVE KNOWN AND ALL I HAVE SEEN AND HEARD.

Within me lives part of you and within you lives part of me. You are my **Friend**. I belong to all I have met and all I have met belongs to me. Nothing I know can be robbed from my mind and no place I've been can be taken away. For as yesterday is now mine so will today be when tomorrow comes. As Union Hill is mine, each friend, a boy who smiled, a girl who cried, a teacher who cared are mine.

They take their place in this being I call me.

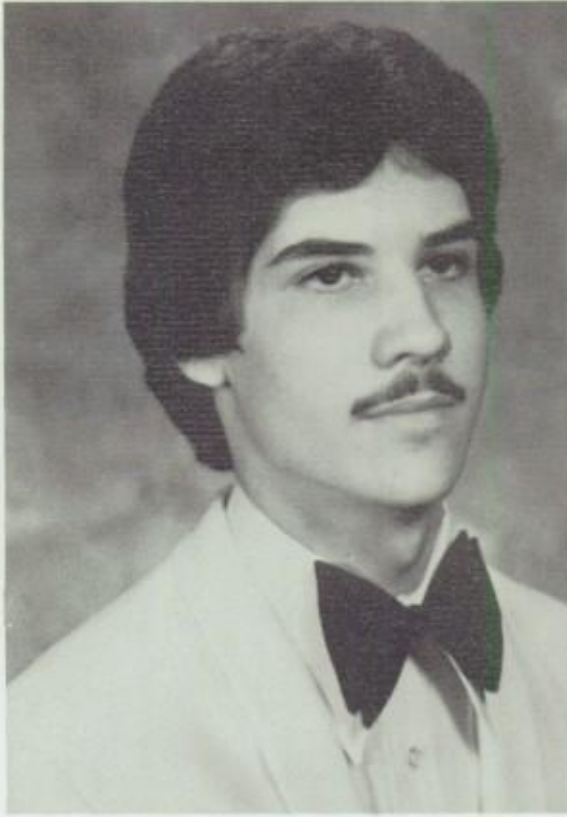

I am **Me** forever.

This talkative Senior loves long telephone conversations and snowy winter mornings. Lisy can usually be seen with her twin sister, Lily or with her fiancé, Gusty. Her future ambitions are to become a hair dresser, open up her own business and, of course, get married.

**ALEJANDRO VALELLA**

"When the going gets tough, the tough get going". That's Alex's motto. A born leader, our Student Council Vice-President is never at a loss for words. Among his many friends are Tico, Jose, Louie, and Juan. We know he will find happiness in his chosen field of medicine.

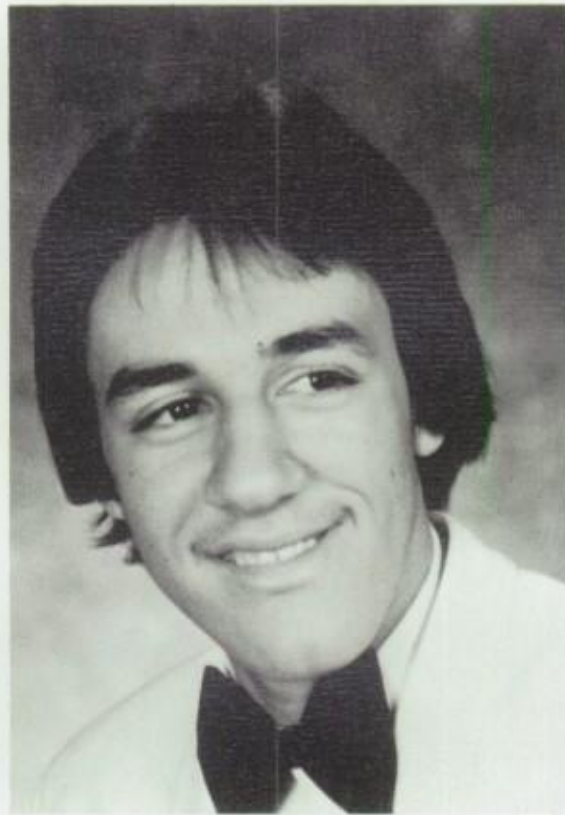

**ELEANA TELLO**

Warm, sensitive, with a unique concern for others, this is how we describe Eleana. This intelligent Ecuadorian who received an excellent diploma from a school of Languages in Ecuador enjoys ice skating, dancing and spending time with Titi. Her future plans include college.

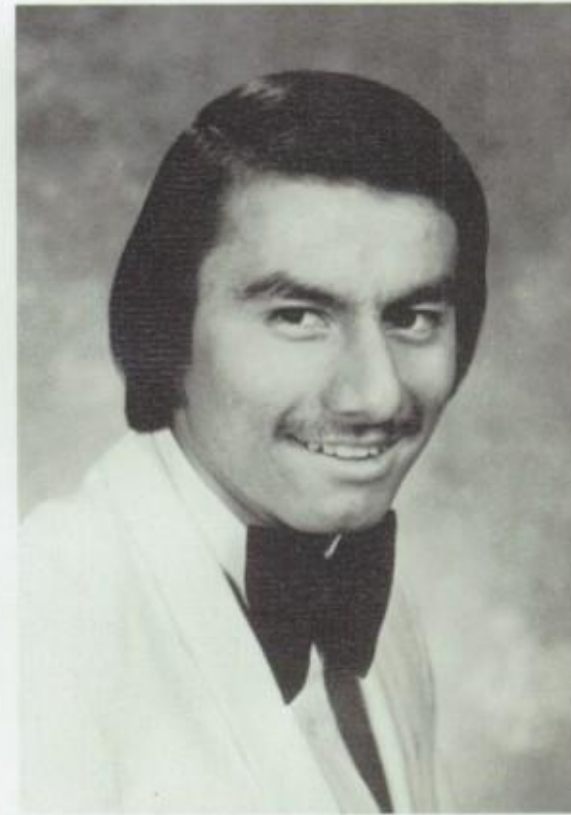

**MARIA VAZQUEZ**

Who's the Color-Guard that's always embarrassed for one thing or another? Who's always turning red when Richie is around? Why it's Maria. She's always seen with many friends just hanging around, or is usually talking on the phone with Richie for hours. This little Aries plans to become an elementary school teacher, and what else can be written except "Good Luck to a true "HILLER".

**JOSE VEGA**

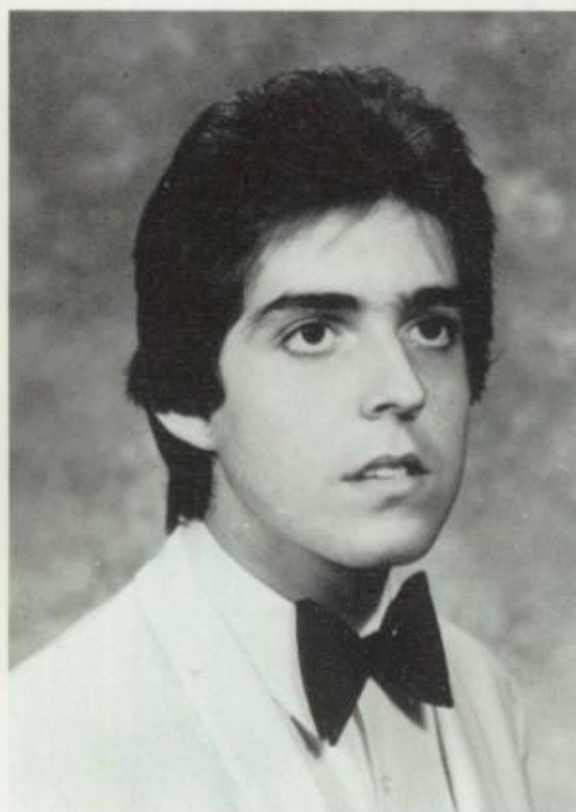

"Pepy", as he is known to his friends, describes himself as unique and unforgettable. Well most people would call him unique and neither Mr. Pirro nor Mr. Papenberg are likely to forget him. This flamboyant Leo is always searching for excitement and being a pilot is very exciting.

**EDWIN VELOZ**

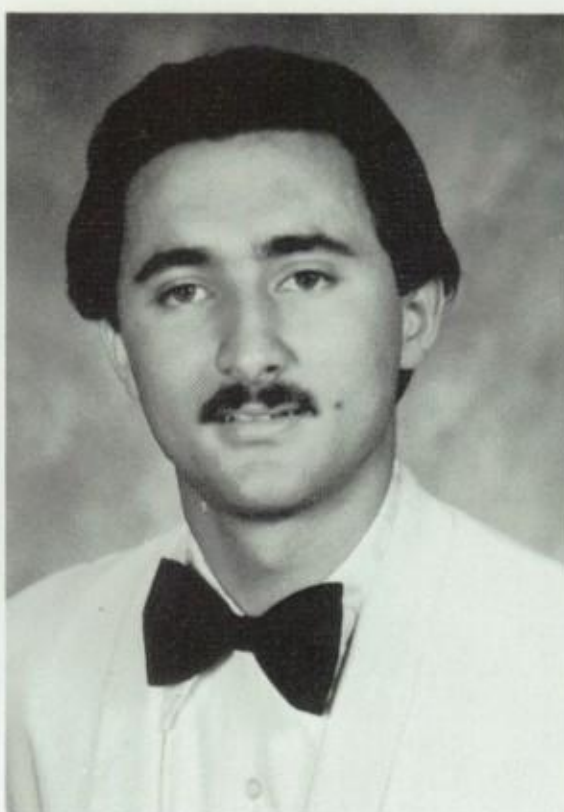

Whether in school or with the boys on 27th St., Ed can always be found enjoying himself. His proudest moment was being on the football team when U.H. was County Champs. Eddy wants to go to college and do something where he can help people.

**RAFAEL VIERA**

Quiet, shy conservative are the qualities which best describe brown-haired Rafael. A member of the Jose Marti Spanish Club, this sensitive young man enjoys those placid moments alone. To this Hiller we wish a future of good things.

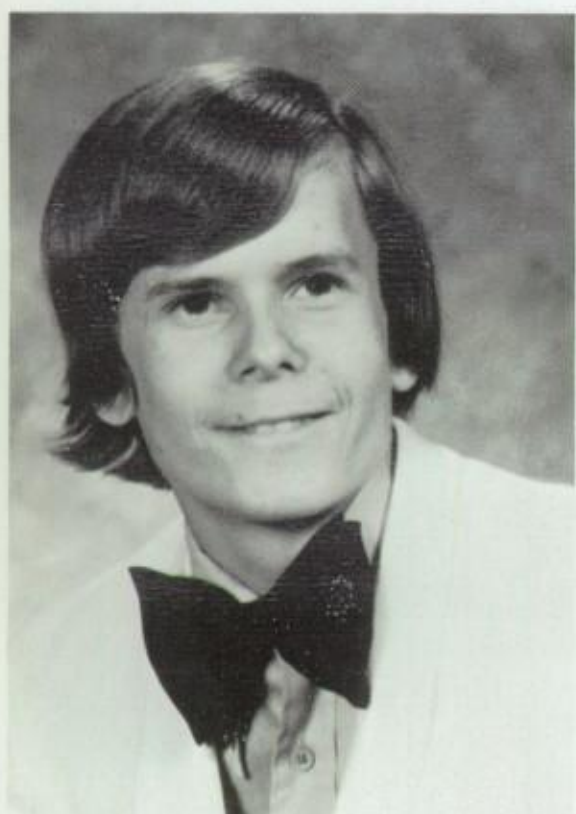

**FRANCISCO VILLANUEVA**

This college bound Virgo likes baseball and car racing. "BRAVO" Frank! His pet peeve is ENGLISH HOMEWORK. Pleasant Frank deserves success in his chosen field of engineering. This green-eyed Casanova is a hit with girls.

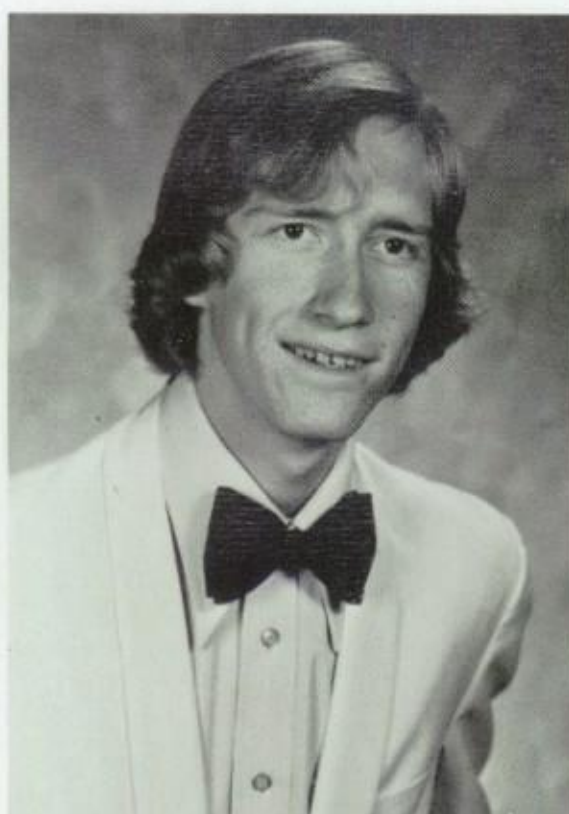

**ALICE WEIR**

Always ahdy-ahding in homeroom or else on the phone with Susan (for hours!) this bouncy Majorette is a fun person to be with anywhere. An Elton John fan, this Sagittarian is sure to make her life a rewarding and enlightening success.

**EDWARD WELDON**

Ed loves girls, cars and beer. This mischievous Libran is always up to something, like the time a whole row of seats from the balcony suddenly disappeared. Eddy holds the record for latenesses. We wish Ed alot of luck in his chosen field of architecture.

**GREG WESTLEY**

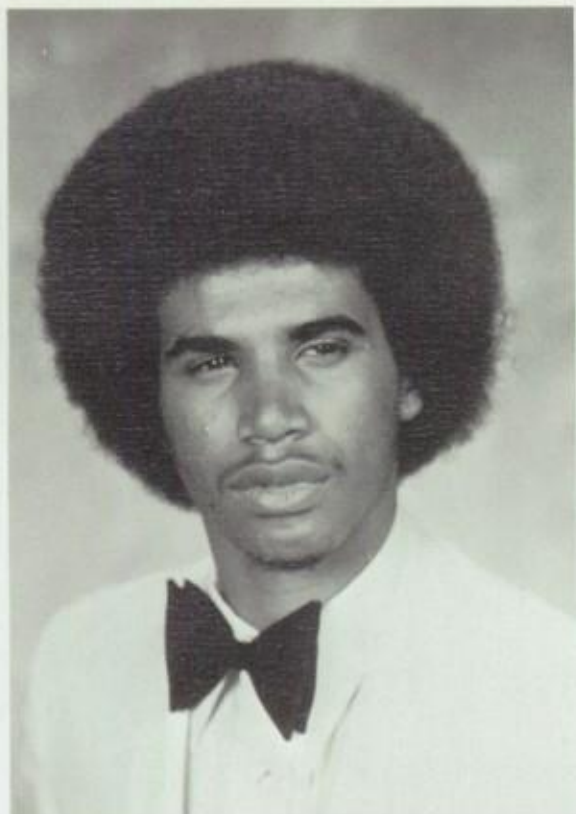

"Wes" is one Hiller most of us will never forget. His enthusiastic spirit was felt by all who knew him. His hope of becoming an insurance tycoon will not fall short for Greg is a resourceful young man.

**JUDY WUNSCHEL**

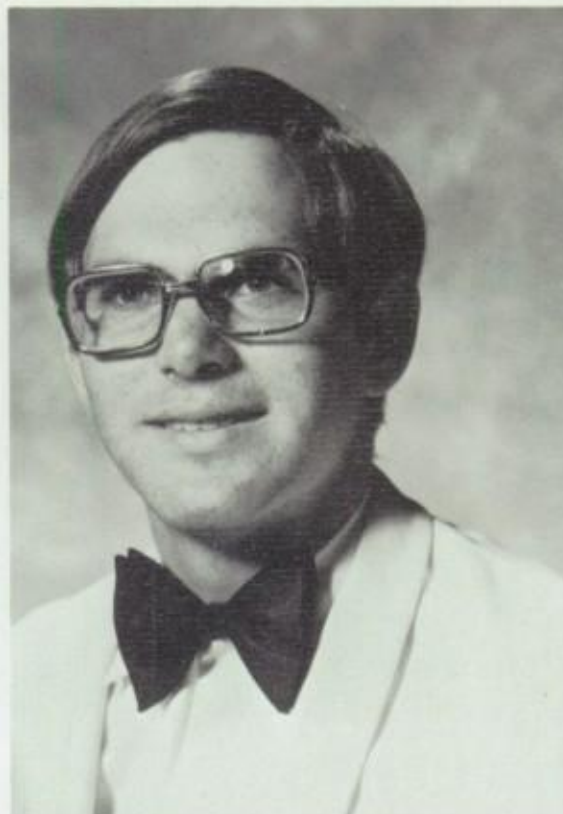

This Aquarian likes school, people and doing crazy things. Her pastimes include hocky, bowling, and spending time with her boyfriend. After graduation she plans to get married and become a secretary. A warning, don't tell Judy what to do cause she has a mind of her own. Best of Luck to a wonderful girl.

**HECTOR R. ZARZUELA**

"Pane" is the serious, intelligent guy who always cracks up in Miss Sullivan's Calculus and Trig classes. You'll find Pane discussing or playing basketball with Tigre and his other friends. This calm and wise Gemini will be a successful engineer (if he can make it through Mrs. Gerald's labs.).

**JACOB ZIEFLE**

A roll of film and a cooperative model, these are the trademarks "JAKE" has acquired during the very active 4 years he has been a student here. A member of the Stage Crew, Drama Club and Audio Visual Crew this young man's photography and technical know-how has come through in more ways than one for Union Hill. Best of things to the Best of guys.

## MEMORIAM

**CRISTOBAL GUERRA**

Cristobal, our friend, a young man with a zest for living, could often be found where people were having fun. A unique individual, he would forget his own problems in order to help solve those of his friends.

We shall miss you, Cristobal, and your memory will linger in the hearts and minds of your FRIENDS.

"Hey Freshie, that big guy in the corner wants to hear you sing Happy Birthday!" We'd been warned about initiation or as that "voice" on the PA system referred to such matters as hazing and we were just slightly less than terrified. Nevertheless we became the scapegoats for every sophomore who'd gotten it the year before, and their revenge ranged anywhere from various performances in study hall to solos in the showers.

We were making it over every hurdle but there was one man armed with a voice brittle enough to shock even the Class of '75. Becoming a freshman at U.H. was an automatic invitation to coming face to face with Mr. Gligor and most of us were not prepared to meet the challenge.

With the end of our Freshman year came the birth of the Midnight Hiller to keep us all aware of everyday activities.

Our freshman football team won the championship that year as we held our heads high in victory. Everyone knew the Class of '75 was definitely here to stay!

Sophomore year saw the beginning of relationships with our classmates and teachers that would be etched in our minds never to be forgotten. For the members of our squads, routines and cheers became a part of an activity-filled day. Various club agenda filled up most of our spare time, after school hours, or early morning before classes began, as lunch periods varied among members due to the initiation of the nine period day year, if you recall.

For those whose interest turned toward sports, not only did the class of '75 help originate the membership of our first female track stars on our formerly all-male team, but our own Sharon Saunders attempted to dribble her way through the front glass window of 39th St. laundromat. Successfully we might add.

We became familiar faces on stage, being sold to the highest bidder at the auction for the senior play, **A Funny Thing Happened On The Way To The Forum**. As candidates for junior class officers, competitors again attempted to sell themselves.

Miss Wilkas can hardly forget the assorted organs she found regularly in her mailbox from her loving bio-lab classes.

Junior year brought PSAT's, college bulletins, class sales, and the realization that we must look into a future beyond the halls of Union Hill.

The 1973 Varsity Football team, strengthened by the contribution of some fine junior starters, gave us the HCIAA County Championship.

The arrival of our rings marked the middle of our junior year and the student council election reminded us that we were now the class with the power.

As the always romantic Junior Prom drew near we found it hard to believe that the friends of the Class of '75 could not call each other Seniors.

Now we'd reached that moment in time which had seemed a distant vision just three short years ago. We were now seniors, envied by the underclassmen. Accompanying senior year were all the signs of that special day in June when our high school days would truly be over.

College boards were taken as anyone interested in furthering his or her education in college was urged by Miss Yandolino to "hurry and fill out your applications."

Yearbook staffs were assembled and began as quickly as possible to construct this book which would serve as a memory collection of our high school days.

On Thanksgiving Day we met our arch rivals, Emerson, and once again demonstrated power as we defeated them by an extremely large margin. Maria Garcia reigned as our Football Queen, crowned by our boys who captured 2nd place in the county. The end of this event brought us even closer to that quickly approaching June evening.

Senior Teaching Day came and imagine 2 Mr. Gligors! We had a certain feeling of authority and it was actually alot of fun.

We had a good basketball season. The Varsity team came in second in the county just missing out of first by St. Anthony's.

Not only was 1975 our graduation year, but also the anniversary of Union City's 50th year. We carried on much celebration including nostalgia days, a poetry and essay contest and our own film productions. Our auditorium served as the theater for the Miss Union City Beauty Contest and one of our girls took second place.

The Senior Prom is definitely one of the most, if not the most, important events in high school memories for it is one of the last experiences you may share together as a whole. For us, the Class of '75, it was a night always to be remembered.

June 16, 1975. The day would arrive for you and I. 300 of us. The graduation of our class.

That short walk down the aisle would capture everything we stood for in four years and put it neatly away in a very special person, a U.H. graduate. There would be teary eyes with sad goodbyes. We were leaving each other to go out as individuals in a big world. In our hearts we know we have made our years at Union Hill as the Class of '75 meaningful and we couldn't have done it without each other.

I have never said to you in words the things I truly feel.  
They have been passed in a smile,  
Through watered eyes,  
And often in a laugh.  
But I have never said, "thank you for being my friend."

The night you called and I listened.  
The time you needed understanding and I wanted only to  
make things right.  
The way you knew I needed all of this from you.  
For this I have never said, "thank you for being my friend."

Do you remember the walks by the river?  
Can you forget the sun in our face?  
For all the joys of growing and sharing with one person so  
like yourself.  
For all of this, I have never said, "I love you."

Joanne Louizides

# SENIOR TEACHING

M. NUÑEZ

"Don't feel bad, I flunked Algebra too."

"Try it, you'll like it!"

"Hey wait a minute, who's teaching who?"

"Just let your fingers do the walking through yellow pages!"

Can anyone say — "Two all beef patties, special sauce, lettuce, cheese, pickles, onions on a sesame seed bun in Latin?"

"Now I'll tell you what I'm gonna do!"

"Hey I could really learn to like this job!"

"Just wait 'till I get you at track practice!"

"What do you mean I should comb my hair?"

"Don't look at me. **He** did it!"

"Name and Homeroom!"

"Do you really think I believe **that** one?!"

"Now —Now, No spiking the Fon-  
due!"

"Will somebody please say some-  
thing; I ran out of words!"

"I see your point, but correct me  
once more and you're dead."

"You think you can do this any bet-  
ter?"

"Hey, That's **my hand** your paint-  
ing!"

"You can't go in there without a  
pass."

"I **know** I'm going to fall asleep any  
minute now."

"Gee, I really don't know why this  
chicken is upside down."

"Nah, This isn't John's phone  
number."

"I hope I don't stick my finger!"

"Look, deep into my eyes."

"Don't get wise with me!!!"

"I'm sorry, I'm here to teach and nothing else!"

"Oh, is that what it means!"

"Pucker-up Baby!"

"Sorry, this isn't the city dump!"

"First of all ... this is a nail"

"Yes, but I'm always right!"

"Who let the baby write on the board?"

Ding-Dong — Avon calling!

"Hey wait a minute! I'm not supposed to get a cut slip today!"

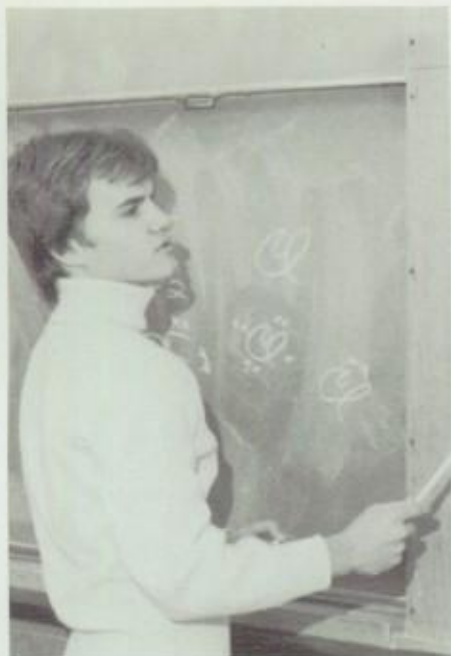

"Well I agree it does look better on Mr. Sirianni."

"Excuse me ... am I interrupting something?"

"When I wave my magic wand the atoms will disappear."

"How stupid can anyone be."

"I'm Yvonne . . . Fly me."

Gee, I hope they don't hit me with an eraser."

"I'd rather fight than switch!"

"Who said gym teachers just sit around all day?"

"O.K. now, let's go back to the very beginning."

"Why is everyone cutting today?"

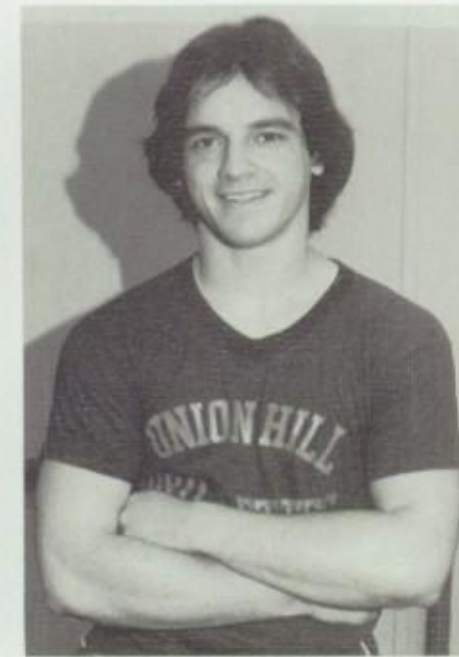

"Come **here** and say that."

"O.K. that's right, but now translate it into Spanish."

"People, **Please!**"

"I'm waiting for you with open arms."

"I think you have a nice voice."

"At last I get to write in a textbook."

"Then you add a little mustard . . ."

"I'm sorry, but yellow fever is no reason to miss gym."

"I saw that!!!"

"Oh, Oh, this is harder than I thought!"

"Well even if it doesn't make sense, just listen."

"I know it's not homemade, but what do you want for just 4 minutes."

"What do you mean Shakespeare wore nailpolish."

"When I blow the whistle, return the carriage."

"Let's hope I can explain the next page better."

"I'll pick you up at 8:00. Okay?"

"Woops! I must have made a wrong turn somewhere. Isn't this a boy's gym class?"

"Does anyone know what the next step is?"

"It's Ms. Wilcomes if you don't mind."

"Listen chickees, if you want a study period, that's alright with me."

"Look out, Mrs. Kohl, your writing on your nail."

"If I would have known that that would be your answer, I certainly wouldn't have asked you."

"Oh good! I found the answer in the back of the book."

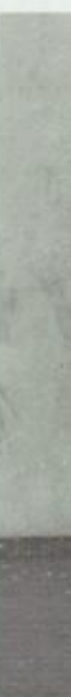

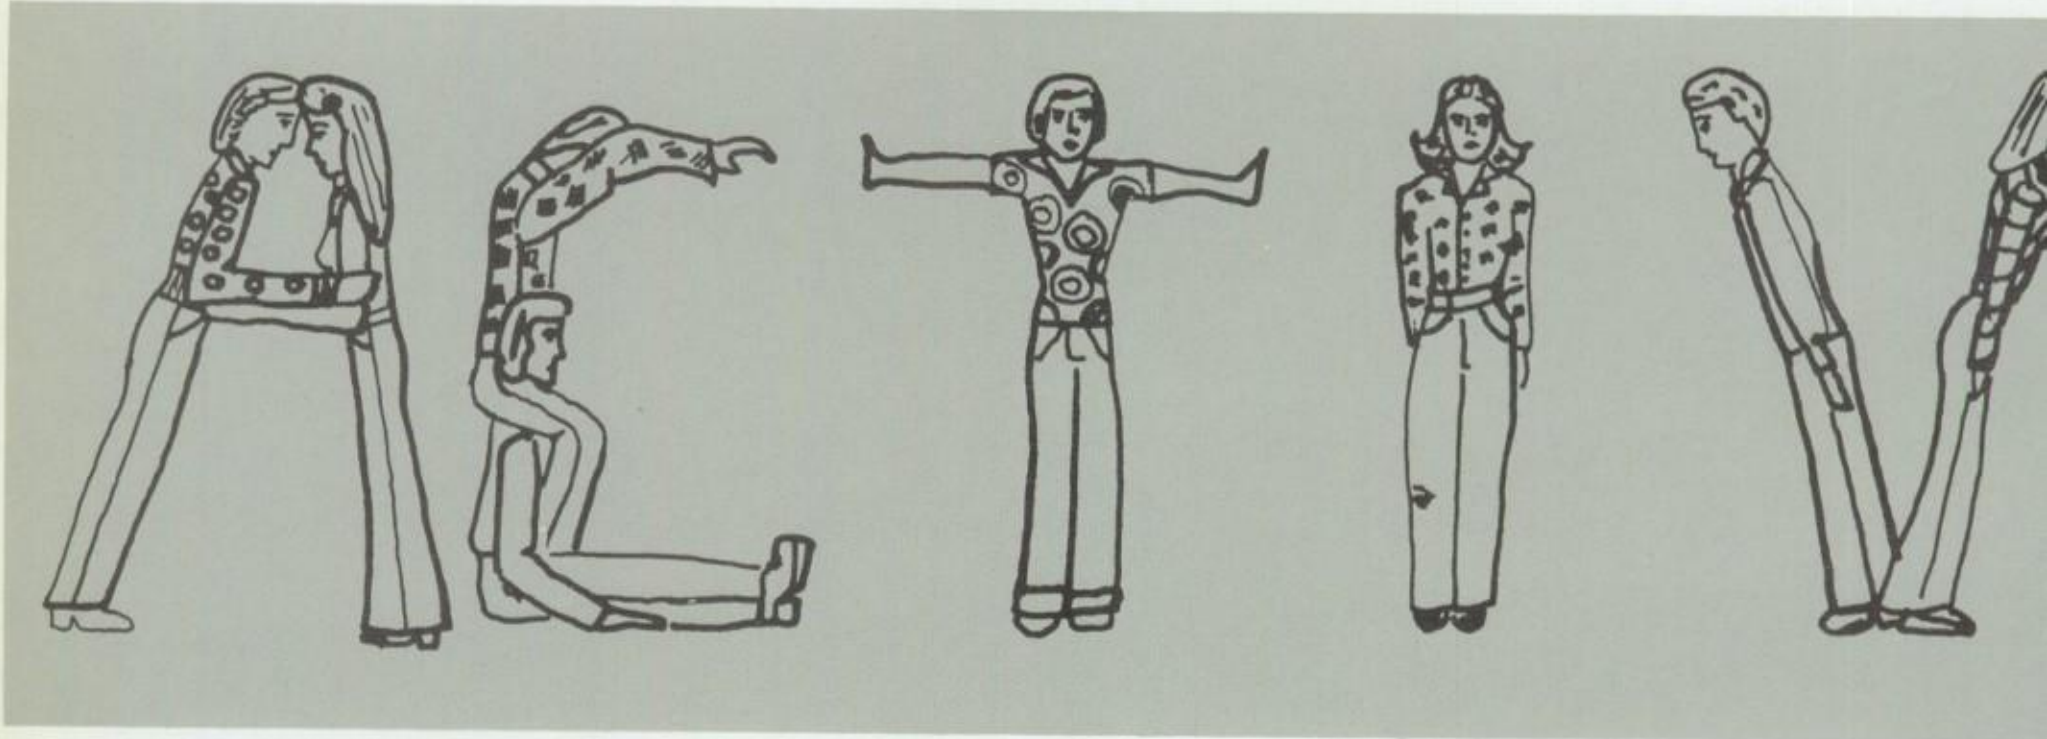

"No son, algebra class is down the hall."

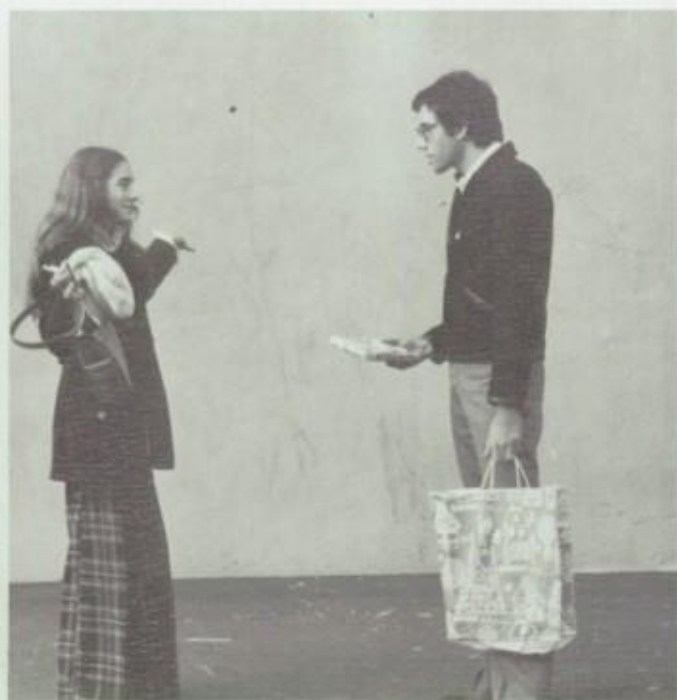

It was a long hard day . . . . . but in the end . . . . . we all came out . . . . . SMILING!

## SPORTS

# 

At its beginning our 1974 Football season did not prove to satisfy our high hopes of success, as our first effort was only met with defeat. But days for Hillers to smile with the taste of victory were to follow and they were not to be few, allowing just one more loss to slip in among them. Constant, outstanding effort exerted by the members of our football team and coaching staff, and the apparent, total support and spirit exhibited by our color units and all Hillers, both present and former, or just fans were never lost. The season ended with the defeat of Emerson, our all time rival, and we rushed off the grid with 2nd place in Hudson County. As seniors we left the Bulldogs with the final imprint of our strength and spirit. And we close our football memories of Union Hill in victory.

## BASKETBALL

Oh, what a season this was! First a terrible loss to St. Anthony's and then the exuberance of beating Memorial and getting even with the Friars. Our goal was basically very simple ... Win, Win, Win. Well, we tried and we succeeded. This year we met a lot of competition much more than last year but the only difference was that this year we were on the winning side more often than not. We were rough and tough, but even better we were a team. There were no real egos among our team players, just a lot of passing and a lot of helping. A lot of this was directed by our senior guard Nick Galis. He ended the season clipping an average of 21 points a game. But our team wasn't confined to one player (what good team is?), but rather to one thing ... **teamwork.** This was a season of which to be proud ... We are!

**Front Row:** Alberto Riesgo, Juan Gomez, Juan Valencia, Clay Morrell, Ed Mendez, Sonny Santos, Cleon Soriano. **Back Row:** Coach Bob Gaeta, Pete Salvador, Kevin McNamara, Tony Lozano, Carey Dooley, Juan Farinas, Eligio Gonzalez, Richie Cassens.

When a team lacks height, it tries to compensate by running and running and running. And that is what our J.V. team players did. We had a winning season highlighted by our victories over Memorial and St. Anthony's and a couple of heart-breaking losses to North Bergen. We might have been #2 in the county but no one doubted that the potential was there; we just lacked a little help from old Lady Luck. These hustling Hillers were led by team captain, Juan Gomez, and the good teamwork emphasized by Coach Gaeta.

One word to describe this year's Freshman Team is **Undefeated!** They worked hard and they worked together. With the leadership and guidance of Coach Dave Wilcomes, the team accomplished a dynamic 18-0 season. How proud we all are of them for winning the North Hudson Championship.

**Kneeling:** Mike Fontana, Rudy Infante, Willie Lumpuy, Raul Valencia, Rickey Hernandez, Ruben Munoz, Rolando Santiago, Rickey Triano, Manager. **Standing:** Dave Wilcomes, Coach, Juan Ruz, Manager, Carlos Santos, Jimmy Lavery, Justo Manso, George McReynolds, Rolando Pedraza, Danny Fit, Fred O'Brien, Karen DiLorenzo, Statistician. Missing: Conrad Ramos.

WILLIAM MC KEEVER  
Varsity Coach

Our head coach ... always ready with a smile, so honestly sincere when it comes to his team. He demands the best that his players can deliver. And fortunately, most of the time he gets it. The Class of '75 would like to thank Coach McKeever for bringing us the happiness of success in our senior year at The Hill.

SAM DE PIANO  
Varsity Coach

After 5 years of J.V. coaching, Sam DePiano has brought his winning ways to the Varsity team during this, his first year as assistant coach. Well-liked, and truly concerned for the boys as individuals, he always achieved maximum effort from the team.

BOB GAETA  
J.V. Coach

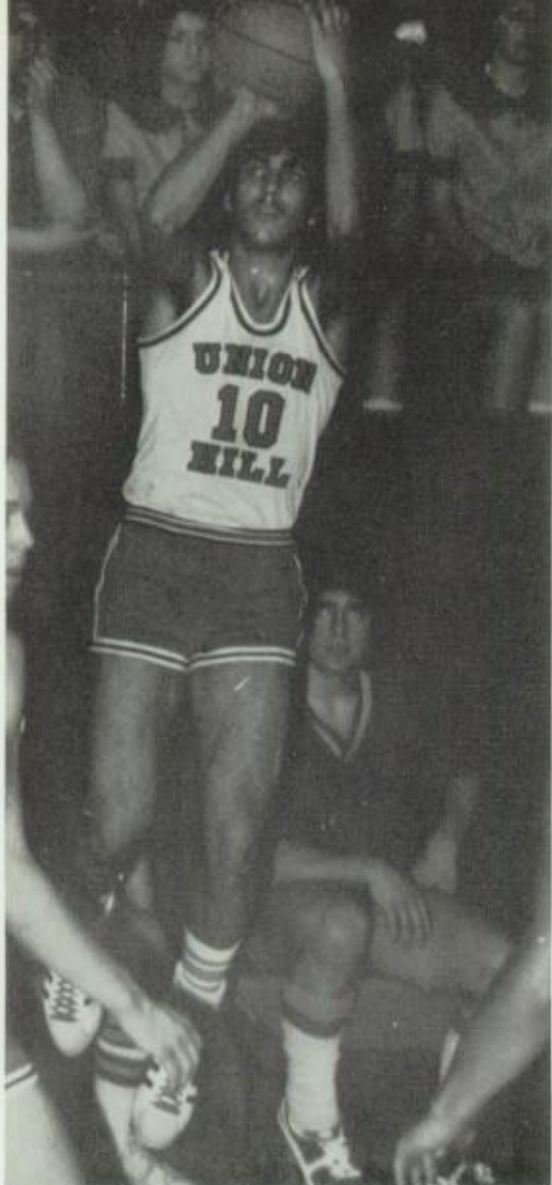

Through his guidance and determination, Coach Gaeta has developed a successful J.V. team in his first year of J.V. coaching. His easy-going personality and his true competence was a winning combination.

DAVE WILCOMES  
Freshman Coach

Who ever thought that a very capable football coach could prove to be an excellent basketball coach as well? Coach Wilcomes' basketball strategy has lead our Freshmen to a season of solid victory.

#### NICKIE "THE GREEK" GALIS

Ball handling his skill and shooting his trademark, "Mr. Clutch" averaged 21 points a game and his assists surprised many of his opponents. With his exceptional ability and competitive spirit, he has proven himself to be a vital asset to our team.

Statisticians: Luis Alarco and Juan E. Ruz

#### PIERO RUIZ

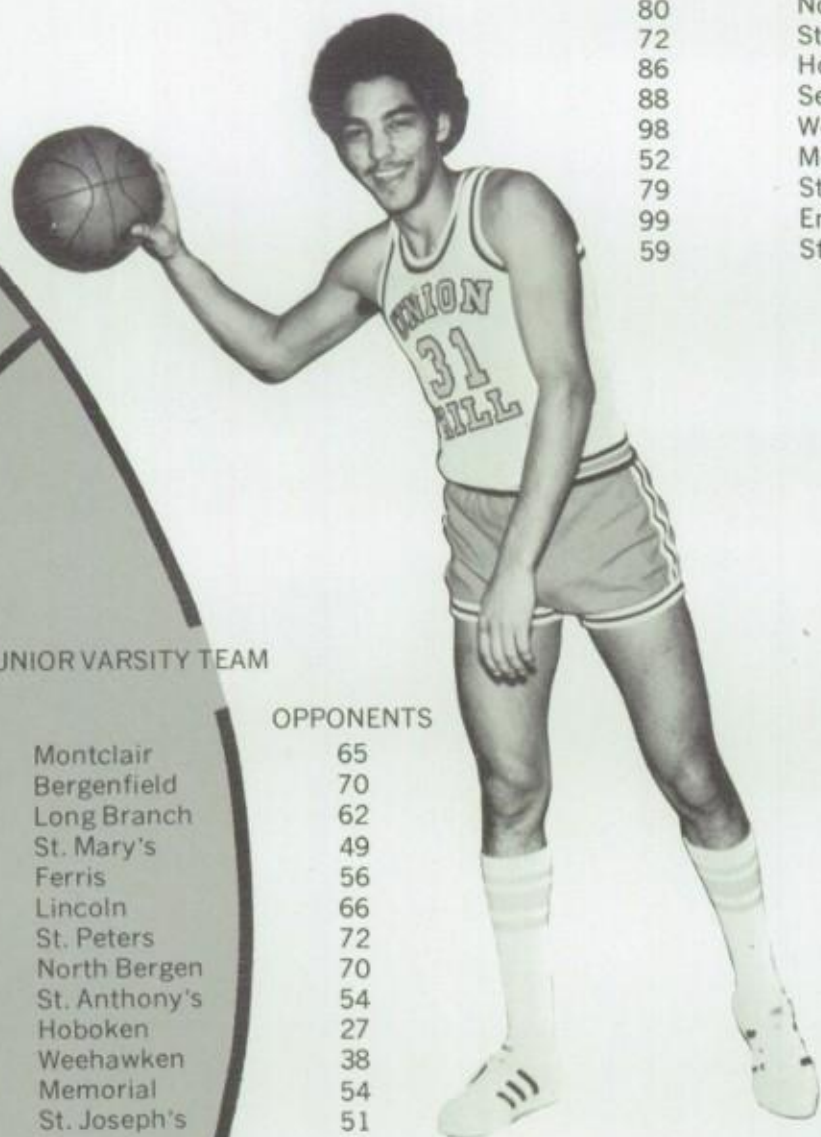

His middle initial should be "D" for defense, as Piero always made his presence felt on the court. Whenever he made one of his long, outside shots we Hillers were assured of two more points.

#### WILLIAM "COUNTRY" AMMERMANN

"Country" possesses an overwhelming power for victory. Many times our six-foot center came up with that rebound or tap which kept the team going. His true talent has been a part of many of our team's victories.

Although this year was "Tigere's" first year with the team, he has added great depth to the bench. He would always steal the ball when his opponent underestimated him. His speed and great recovery more than made up for his inexperience.

Speed and hustling from Orlando have brought our team through many a game. Although constantly haunted by ankle injuries, the "Big O" has provided invaluable ball playing this year.

# GIRL'S BASKETBALL

CAROL METZGER  
Coach

Carol Metzger, or "CC" as the team calls her, is the main boost behind the girls. Her usual position at a game was "foot-in-mouth." She possesses a brilliant strategy on how to get "psyched."

**Kneeling:** Elena Fernandez, Miriam Cintron, Co-Captain Sharon Saunders, Co-Captain Melo Toorneman, Martha Carajal, Kathy Trautz. **Standing:** Michele Carrino, Esther Santana, Ju Lima, Virginia Rhoer, Debbie Pisano, Mrs. Metzger.

SHARON KELLY

Sharon, starter and high scorer for the last three years, has been a great asset to the team. Many victories have been a result of her ability to move the ball when under pressure.

SHARON SAUNDERS

Sharon, co-captain and starter, is explosive under the boards. She could always be counted on for a joke or a funny gesture when the team's spirit was low.

MELODY TOORNEMAN

Melody is best known for sitting down while fighting for the rebound. Her improvement since last year has brought the team a valuable and capable center.

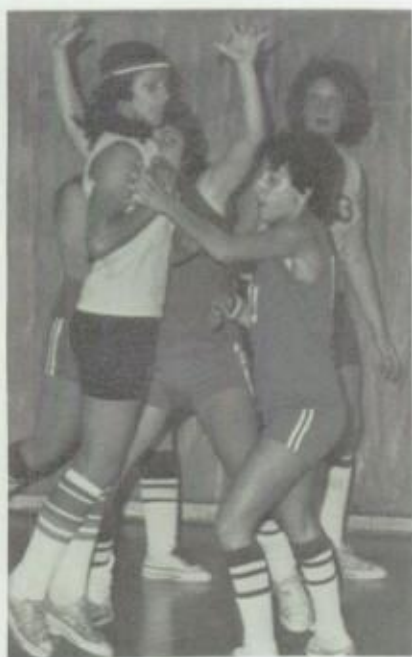

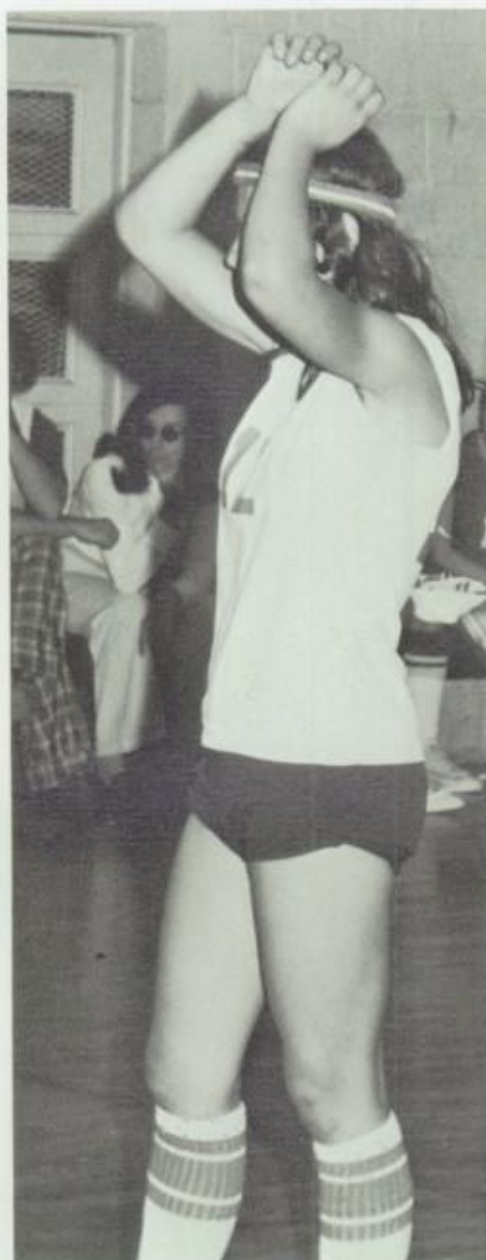

One of life's little hangups.

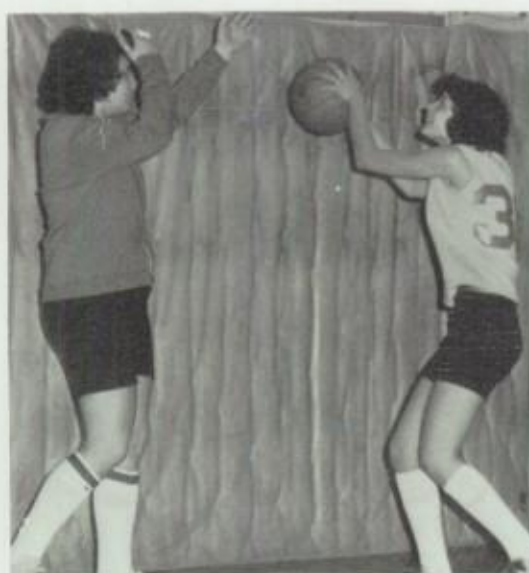

Who wants gum? I do! I do!

No touchy, touchy!

I'm strong, but odor isn't everything.

What do you mean I'm shooting at the wrong basket?

PETER YORK  
Coach

This year's team is one of pride and strength. The contribution of each senior was felt in every meet the Hillers ran. Each member demonstrated true consideration of his or her teammates. A new, happily-welcomed feeling of loyalty prevailed over the team. The U.H. Track Team was a perfect example of great sportsminded individuals working together for a common goal and receiving alot of enjoyment and self-respect from their efforts. It was a team of nicknames such as "Hotdog", "Speedy" and "Sach" to name a few. This year was filled with happiness and success in more ways than one for this team.

PAUL GIANNANTONIO. CAPTAIN

Paul has always been our second sprinter up until this year when it seems that he has broken through to number one. He works hard on the sprints but has hurdled, thrown the shot and discus and high jumped. There is never a lack of enthusiasm from Paul.

MARK "CRAZY LEG" PRUSINA

Mark is one of those people who runs from September to June for his school. He began as a freshman running Cross-Country and has participated in every season that followed. Dedicated to track while at U.H., Mark is a real friend to the team.

And a one ... and a two ... and a three ...

"I want my mommy."

... set ... Go!

All hail to the King!

BOB "RUBBER BAND" SEIGRIST

Bob, a thinking man's runner, has found his place on the team as a hurdler and high jumper after trying almost every other event. His main strengths are his dependability and concentration.

RAUL "SACH" AGUILAR

Every team needs someone who can make them laugh and yet has true concern when they're in trouble. Raul is just such a person. He has participated in Cross-Country and always exhibits a great amount of effort.

AMADOR "HOT DOG" RODRIQUEZ, \*CAPTAIN\*

The pain on his face reflects the effort he puts into every race. Last year he ran a 2:05 half in the state sectional. He's capable of running a 2:00 flat half. When he puts his mind to something there's no stopping him.

FRANK GIANNANTONIO

Not exactly the quietest runner on the team, Frank is loud in action. He has scored points in many individual events and relays, especially the intermediate hurdlers and 880 yard relay.

A Farewell To Seniors

"Don't cry. We can't win 'em all."

"What do you mean no one knows how to drive a bus?"

GERARD "LARRY" CLEARY

The steady giant moves with a lot more style and grace than he was ever accustomed to before his track days. Gerry's best efforts came against Memorial last year when he ran a 4:47 mile. Great things can be expected from Gerry. We just hope he stays out of two mile heats with Bob Keenan.

ROSE MARY "SPEEDY" MANISCALCO, \*CAPTAIN\*

Ms. Rose, with her efforts and abilities is an undefeated miler in Hudson County but can run any event and does when we need her to. "Ms", versatility along with her speed and stamina make her a great athlete with a great attitude.

What a way to go.

What a day for a daydream.

We won! I can't believe it! We won!

TONI BARNABA

Since the first female additions to the Track Team were made, Toni has been a dedicated member of the team. A very outspoken runner as well as manager for 2 years, Toni's first consideration is the team. She won a bronze medal in her junior year as a result of a very good half-mile run. Just as her senior teammates, Toni is an important part of the success of the team.

Beep! Beep! Beep!

"I think I'm lost."

ANNA "BIG A" MARINO \*CAPTAIN\*

100% effort all the time Anna runs in rain, ice, sleet and snow . . . just like the mailmen. With fifty athletes like her we could be champions of the world. She's keenly interested in all aspects of track and field and is always willing to help a new runner with labor-saving and efficiency-aiding advice.

"Oh! Goodness gracious!"

"Five miles? You've got to be kidding!"

ERNESTO "SUPER ERNIE" SOCARRAS

This Cross-Country Captain is a strong runner. A highlight in his high school track career was his participation in the dual meet against Dickinson in which he ran a 16:45 three mile. "Super Ernie" has been running for four years. In indoor and outdoor his best event is the one mile run. Next year Ernesto's absence will be greatly felt by the team.

A touch of jungle habitat.

"Beware of what???"

# TENNIS

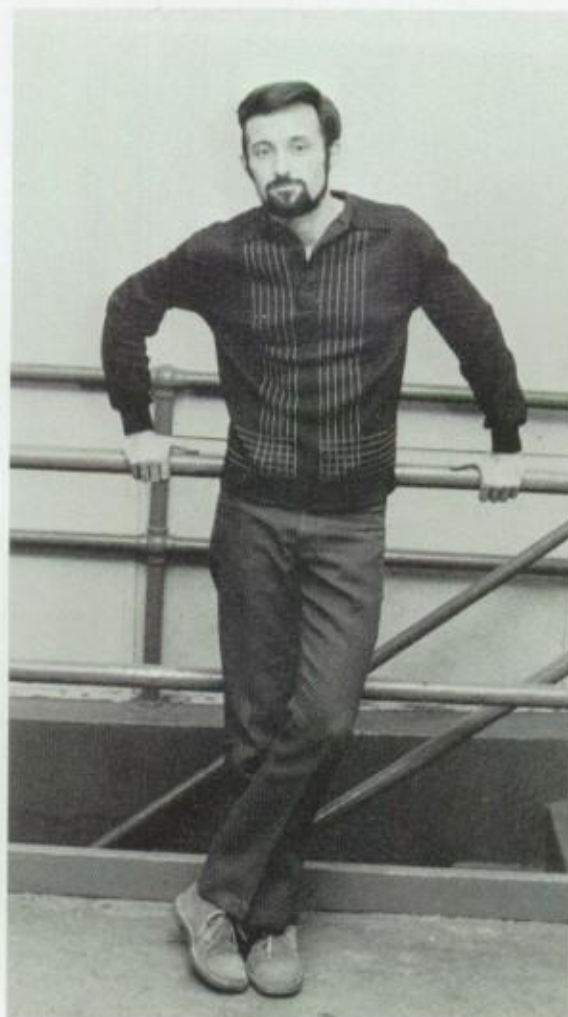

**Kneeling:** Robert Ruiz, Pablo Morales, Juan Milan, Ralph Lorenzo. **Standing:** Jesus Diaz, Oscar Gonzalez, Coach Barton, Victor Ramon, Fernando Gomez.

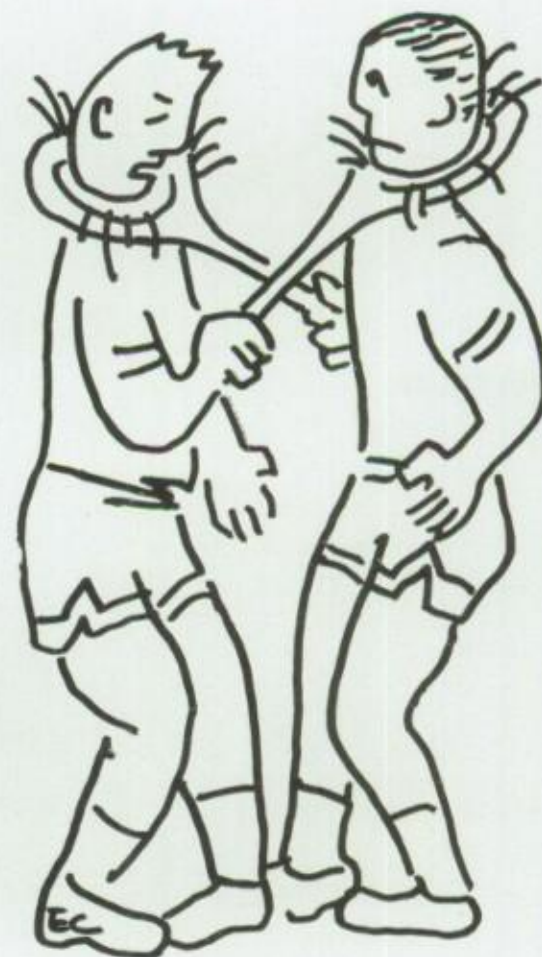

After '74's winning season, the Tennis Team was ready for a challenging new one, with only one returning veteran, Jesus Diaz. Jesus has been Union Hill's most valuable player for four years and having gone undefeated was our captain for the '75 season. He is the number one player in North Hudson and along with the aid of Coach Barton produced a skillful young team. Another senior who exhibited good effort was Fernando Gomez. With the great skill of Jesus Diaz and the entire team, the "net men" were always assured success.

JESUS DIAZ

WALTER BARTON

# CHESS

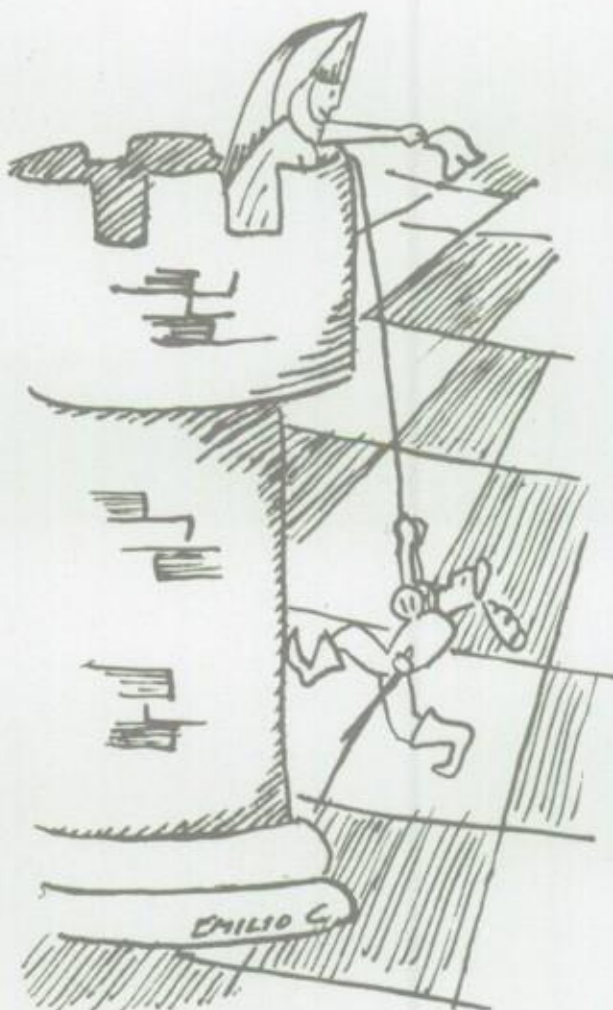

The members of this year's Chess Team may be inexperienced but their young, bright intelligence has made them successful. They have been able to work quickly and accurately under pressure. Lead by the team captain, Juan Ruz, the Hillers had a rewarding season.

Juan E. Ruz, Ceasar Garcia, Mike Colucci, Ken Bach, Yong Sung Cho, Alfredo Barrera. **Sitting:** Miss Ryman.

Spirit is the essential ingredient of life. The feelings within, feelings of caring about every action and every reaction. Only a person who possesses this true concern for what lives inside others can truly share with them and be fulfilled within himself.

We can always be proud of the spirit demonstrated by our class throughout our years at Union Hill and where can we better view this spirit but with our friends through our sports. We have given you the Sports of '75 with the Spirit of '75.

BOB MONTESANO  
Intramurals Director

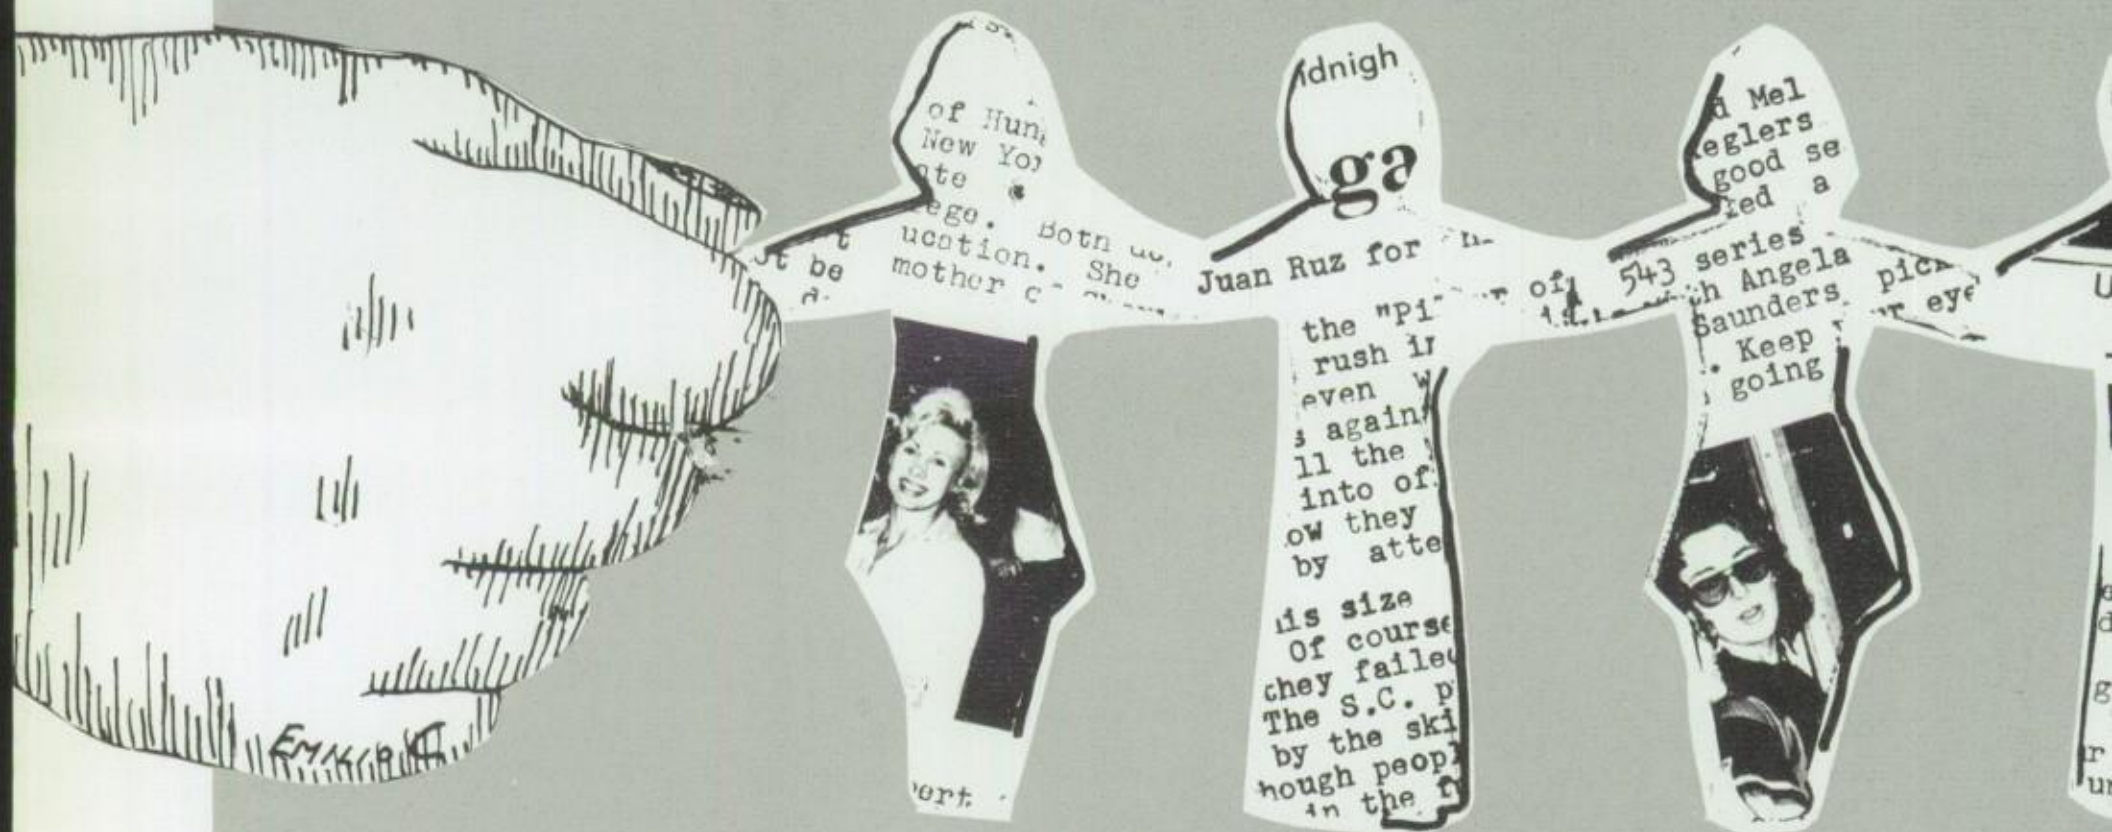

My friend stands by me when no one else will and believes me when it seems no one else can. He will defend me as I will defend him without question. I don't ever have to pretend to be something I am not with my friend. He accepts me for what I am and I accept him in the same way and I love him for what he is. Every day I discover new things about him that make him more of a person to me, more of what I'd like to be. Maybe we see much of ourselves in each other. Perhaps that is why I trust him and he trusts me. Or we may not both own one common idea but we respect these differences and accept the right of one another to his own beliefs. Then this may be the source of our sincerity and trust. This road is distant and if we are going to find the end we need friends, we need each other. We are looking toward the light ahead and we must find it together.

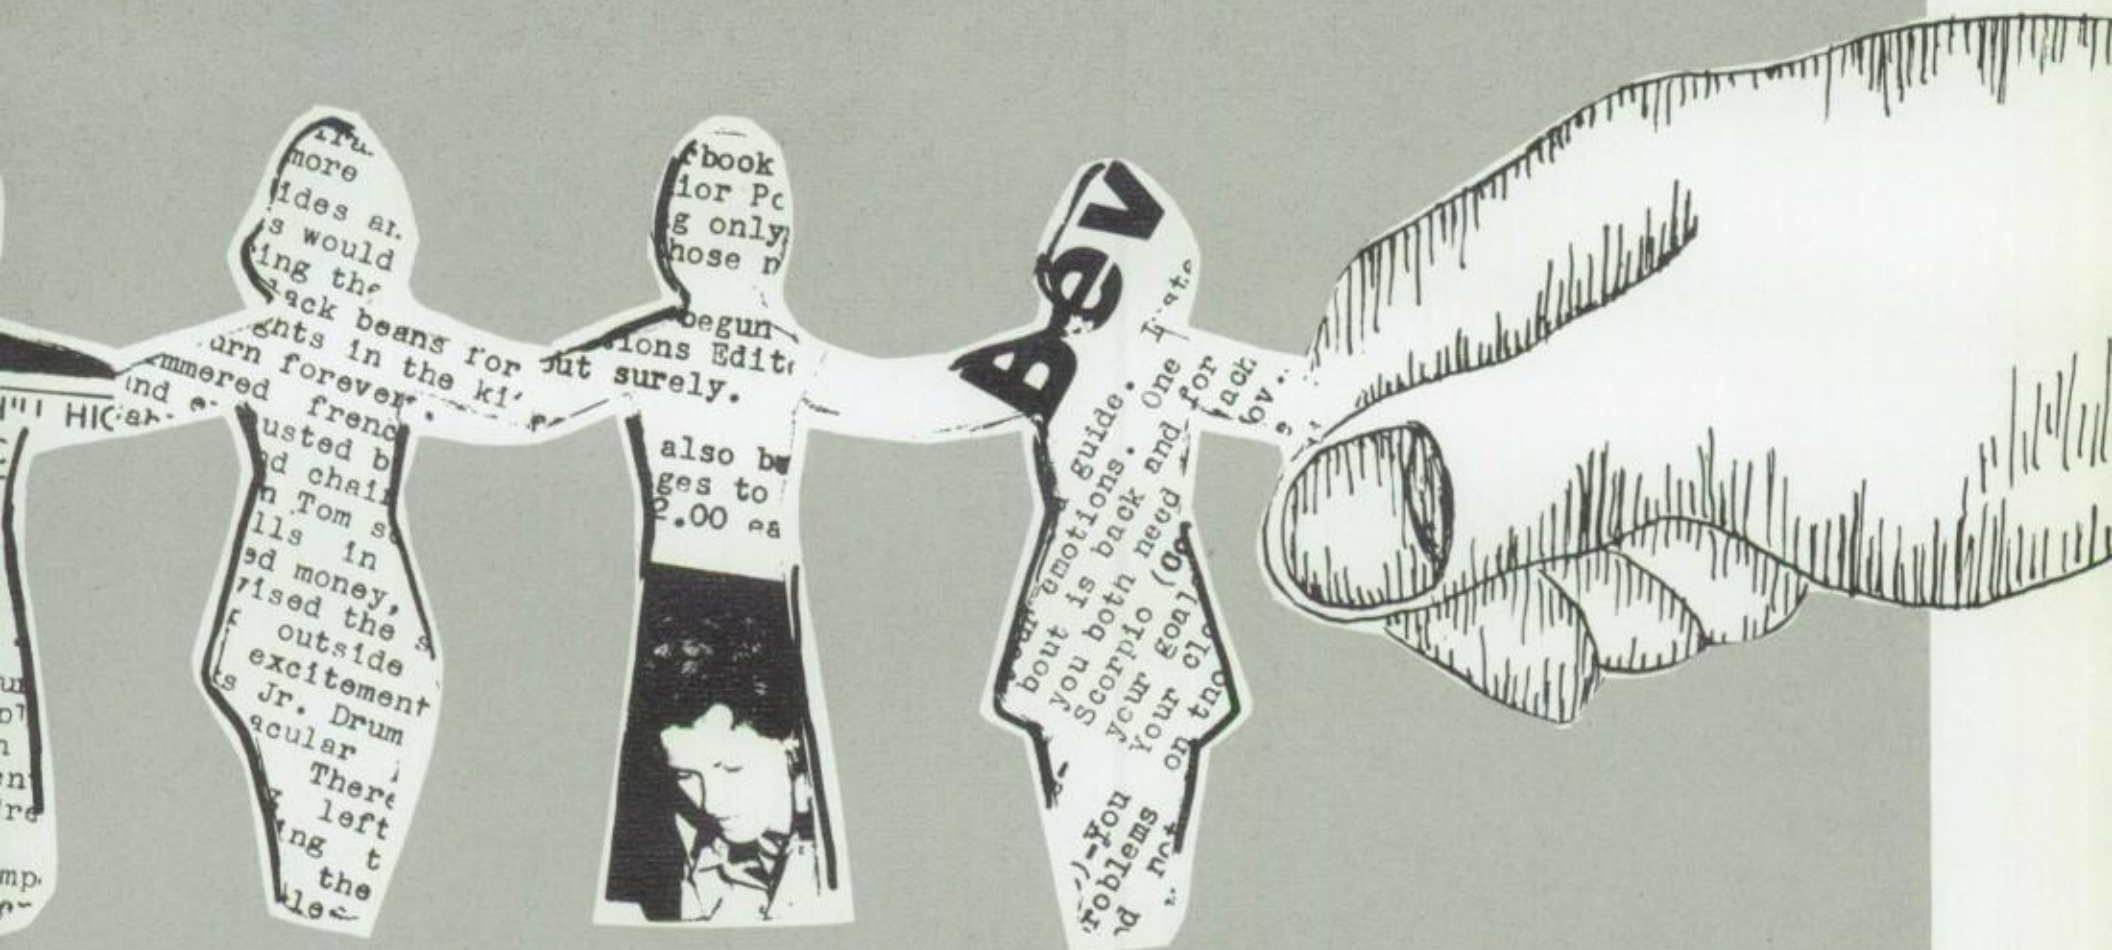

"I hope the day will be a lighter highway  
For friends are found on every road.  
Can you ever think of any better way,  
For the lost and weary traveler to go?

Making friends for all the world to see,  
Let the people know you got what you need.  
With a friend at hand, you can see the light,  
Cause if your friends are there then everything is alright."

By Elton John

To All Our Friends In The  
Class Of '75

**THE MIDNIGHT HILLER  
STAFF**

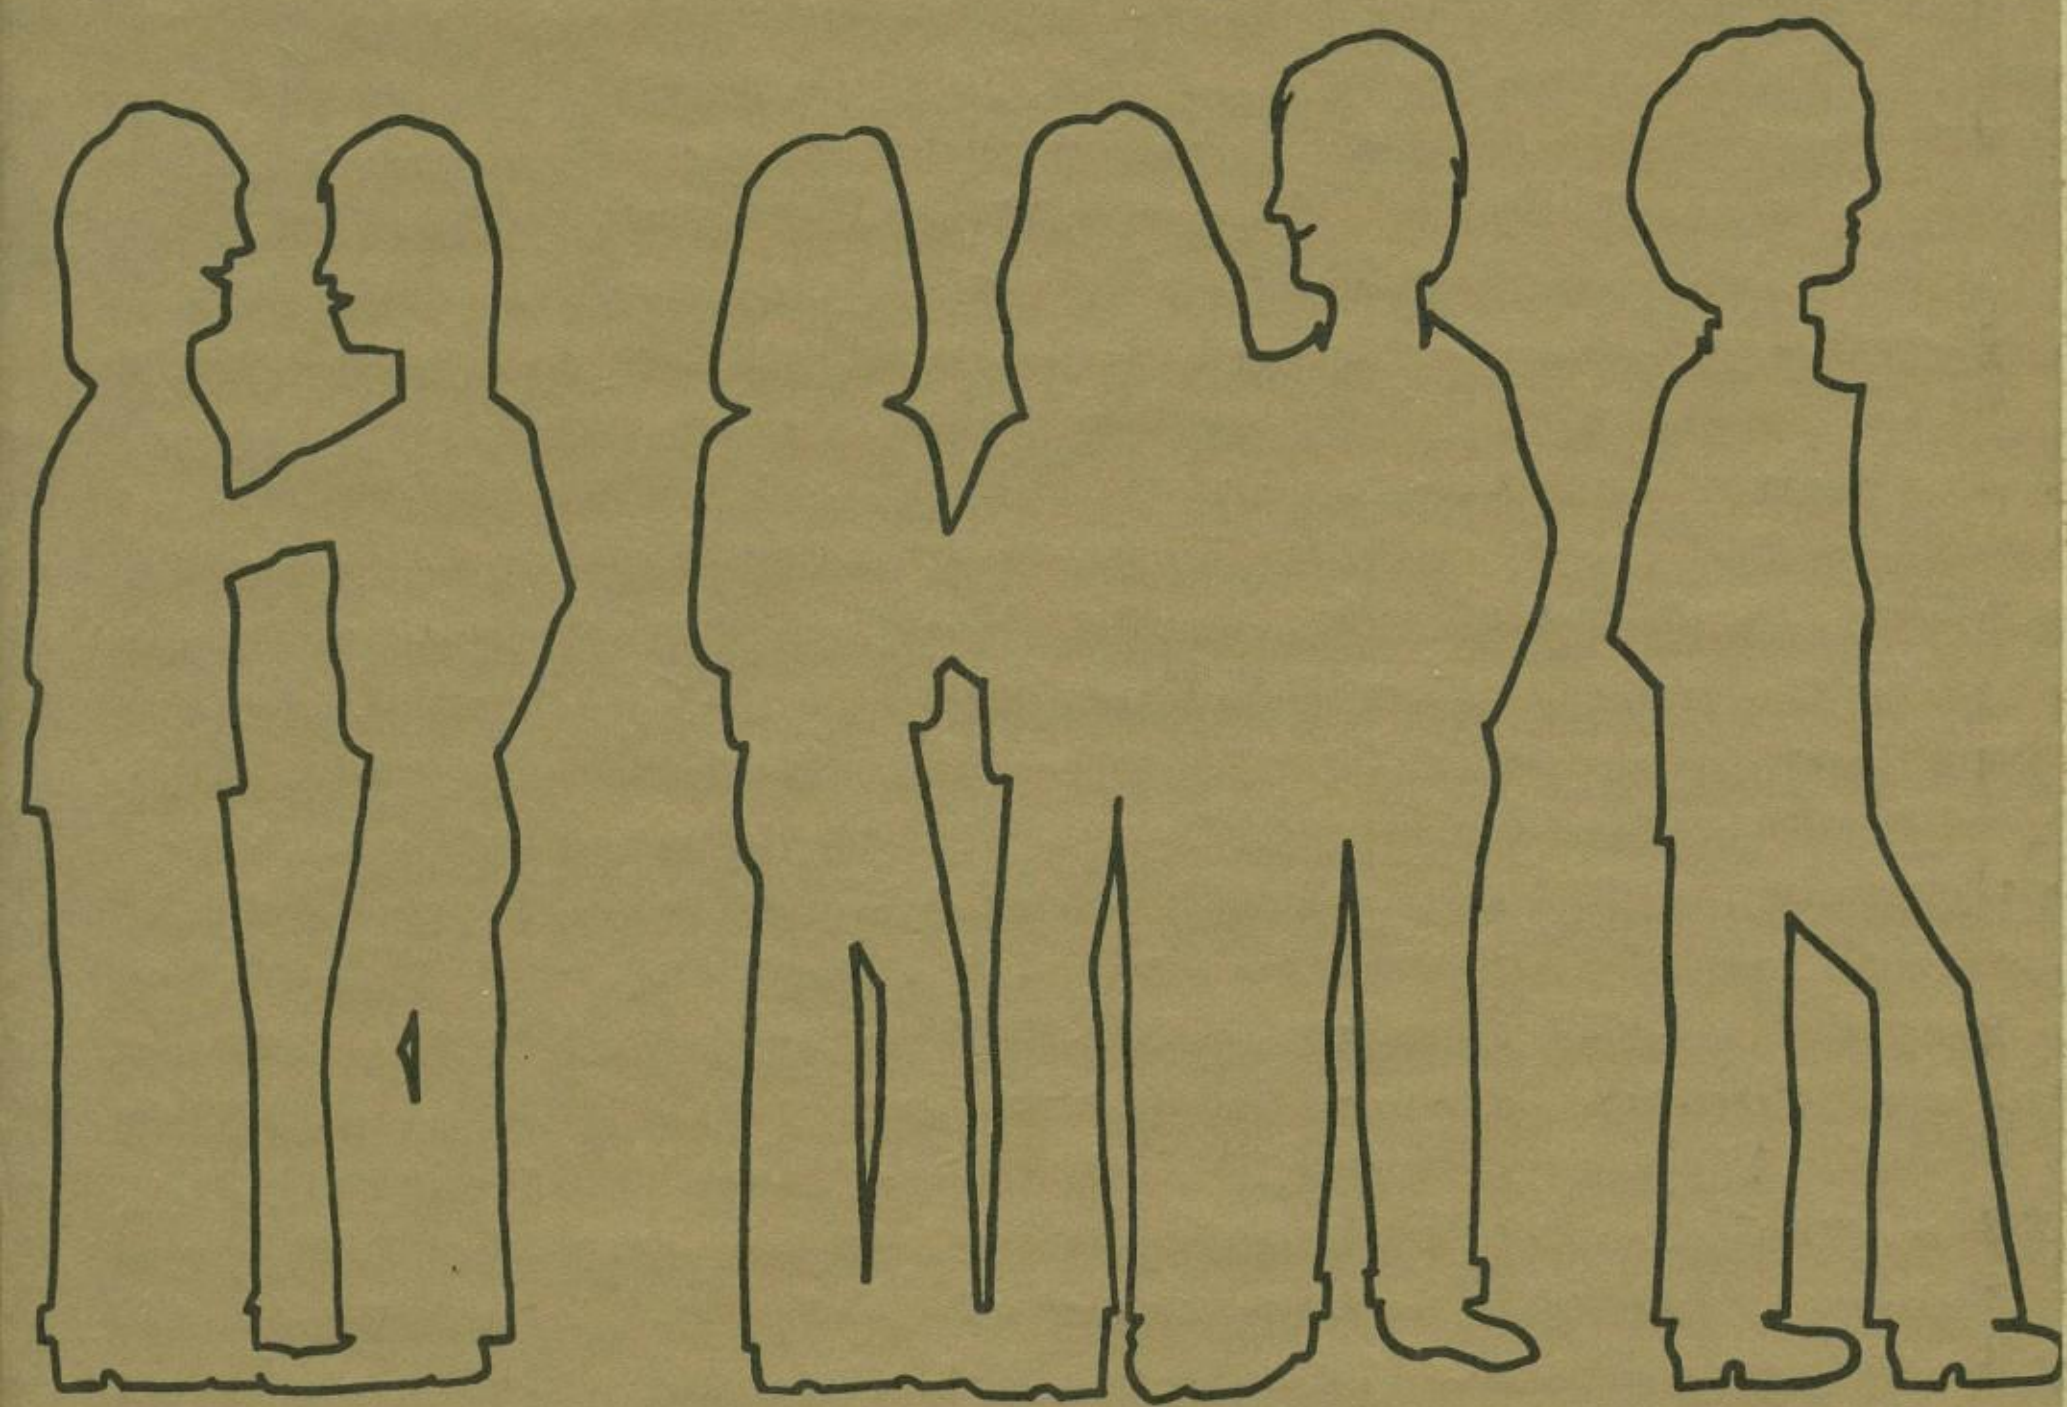

*With a friend on hand you will see the light,  
If your friends are there than everything's alright.*

*It seems to me a crime that we should age —  
These fragile times should never slip us by —  
A time you never can or will erase  
As friends together watch their childhood fly.*
